Hi Karen-

I just noticed that the discovery request that you faxed me is only 1 page, though the bottom of it (on the original) says page 1 of 2. Is there more to the motion? This request looks like a cut version of some of the other requests I have received, and the last item requested on page 1 is at/towards the end of the other ones, so it is very possible that I have all of it, but I just wanted to make sure before I send it. (I was going to bring it to you earlier this week when I was scheduled to be in court, but cases pled or were continued). Thanks.

-Sonja
